Honorable William J. Casey  
Director of Central Intelligence  
Washington, D.C. 20505

Dear Mr. ~~Casey~~ *Bill*:

As the new year begins, please accept and extend to your family and staff my very best wishes. It has been a pleasure working with you during the past months, as I know it will be during the coming year.

I look forward to the Reagan years as being some of the most outstanding and meaningful in our history.

Sincerely,

*Gerry*
